THE TOHOKU JOURNAL OF EXPERIMENTAL MEDICINE
Since 1920
Tohoku University Medical Press

Permissions

For reuse or reproduction of figures, abstracts, articles, or cover images in Tohoku Journal of Experimental Medicine (TJEM)

For non-commercial use

The articles published in the TJEM after January 2020 are marked by the Creative Commons (CC) License; the CC BY-NC-ND 4.0 (Attribution-NonCommercial-NoDerivatives 4.0 International) License.

Readers wishing to reuse or reproduce figures, abstracts, or articles from such articles should follow the guidelines of the Creative Commons. Please do not forget to give appropriate credit to the source by simply citing the original article, as in the following example:

Shibahara, S. The Upcoming 90 (th) anniversary of the Tohoku Journal of Experimental Medicine. Tohoku J. Exp. Med., 2009, 218 (3), 161-163. doi.org/10.1620/tjem.218.161.

In addition, it is our policy that authors reserve the right to reuse or reproduce their own article, in whole or in part, with or without modification, for non-commercial use, provided the acknowledgement is given to the original source of publication. You must indicate if changes were made in your articles for reuse or reproduction. The non-commercial use includes the uses in the author's own thesis, dissertation, textbook, review article, deposit in any repository, websites, lectures at the conference or other meetings, and so on. Authors are not requested to obtain permission by the Tohoku University Medical Press in such cases. This policy is applied to all the articles published in the TJEM with or without the CC BY-NC-ND 4.0.

If you wish to reuse or reproduce the material in the article(s) by other author(s), please follow as shown below.

1) Reuse or reproduction from articles with the CC BY-NC-ND 4.0 without modification: No permission is required. Please follow the guidelines of CC BY-NC-ND 4.0.
2) Reuse or reproduction from articles with the CC BY-NC-ND 4.0 with modification: Permission is required from the Tohoku University Medical Press and the Authors.
3) Reuse or reproduction from articles without the CC BY-NC-ND 4.0: Permission is required from the Tohoku University Medical Press and the Authors.

Please contact the Tohoku University Medical Press (office@journal.med.tohoku.ac.jp) to obtain the permission. The permission for non-commercial use is usually issued by the Tohoku University Medical Press without charge.

Please note that you are not allowed to remix, transform, or build upon the material in the articles by other authors with the CC BY-NC-ND 4.0 without permission of the Tohoku University Medical Press and the Authors for reuse or reproduction.

For commercial use

The Tohoku University Medical Press authorized *the Japan Academic Association For Copyright Clearance (JAC)* to license our reproduction rights and reuse rights of copyrighted works. If you wish to obtain permissions of these rights to articles published in the TJEM for commercial use, please refer to the homepage of the JAC (http://www.jaacc.org/en/) and request permission via the Web site of the JAC.

If you wish to reuse or reproduce the material in the articles by other author(s) for commercial use, it is mandatory to obtain permission also from the author(s) of the article.

If you have any questions about reuse and reproduction, please contact the Tohoku University Medical Press (office@journal.med.tohoku.ac.jp) directly.
